### Our Vision

*Building a brighter future in partnership with our community.*

**Boys and Girls Club Community Services of Delta/Richmond** is a community based multi-service organization that has been providing program and services to children, youth and families for over 45 years.

Our organization offers a continuum of services from pre-natal through to adulthood. These services include early intervention/prevention programs as well as social/recreational activities and employment services.

**Core Values:** We ascribe to a set of core values in our work with children, youth, family and community that define our reason for being and are the standard against which all Boys and Girls Club services are measured.

**We** Acknowledge a Sense of Self-Worth is Fundamental to Individual Dignity

**We** Believe a Sense of Belonging is Essential to Healthy Growth

**We** Foster Cultural Understanding and Acceptance

**We** Value Learning as a Lifelong Goal

**We** are Committed to Voluntarism
